Cancer Amphitheater Center
(Parking is located on 47th)
4805 NE Glisan I Portland, OR 97213

What: Amanda Timmons, B.A., Oregon Immunization ALERT
Immunization Updates

At the end of this program, the participant will be able to:

1. Identify important recent changes to the immunization schedules for children and adults.
2. State how recent ACIP recommendations impact your clinic immunization practice.
3. Explain key features of Oregon's Immunization Information System that are essential for everyday use in improving individual patient encounters.
4. Use the ALERT IIS vaccine forecasting tool to determine the best date for administering immunizations to an individual patient.
5. Explain how to administer intramuscular vaccines safely using best practices for optimizing vaccine efficacy and preventing shoulder injuries related to vaccine administration.

Attendees must be present at the education 90 percent of the time to receive CEU credit.

Free to AAMA current members.

Please bring your AAMA Membership Card for verification of membership.

AAMA non-member will pay \$20.00 administrative processing fee to attend.
AAMA non-member student (student ID required) will pay \$5.00 administrative fee to attend.

Payments will be taken in either cash or check only.
